**Subject:** Response Support

Hi Rede,

I am supporting response efforts for both Typhoon Soudelor and Gold King Spill therefore at this time I will not be able to fully commit to the SESS source selection process. I'm unsure how long I'll be in response mode but as soon as things settle down I'll be able to turn my attention back to solicitation efforts.

Thanks for your understanding and please let me know if you have any questions.

Best,

---
